

# Study of Children with Developmental Delays

---

Your child may be eligible for a study at the National Institute of Mental Health (NIMH) if he/she:

- Has language, cognitive and/or other delays
- Is between 1 and 4 years of age (up to his/her 5<sup>th</sup> birthday)
- Is available to come to the NIH Clinical Center in Bethesda, Maryland for an initial evaluation and follow-up visit

Participation includes a comprehensive developmental evaluation, physical examination and follow-up assessments. Parents will receive a summary of findings from testing. There is no charge for study-related evaluation. Travel assistance is provided.
